Day 1: **Johannesburg to Hazyview (L / D)**

Leaving Johannesburg we head towards the Lowveld and Umvubu camp situated on the border of the famous Kruger National Park. On our way we pass through the southern section of the picturesque Panorama Route – famous for its breathtaking vistas. Our camp for the next two nights is a short drive from the Kruger's Numbi Gate and has some interesting local residents that include hippo, giraffe, zebra and impala. We spend a relaxing evening around the camp fire before our game drive tomorrow.

Day 2: **Hazyview (B / L / D)**

Today we explore the amazing Kruger National Park. Covering 21 497 km² - 60 km wide and over 350 km long, this conservation area has more than 146 mammals, 500 bird, 114 reptile, 33 amphibian & 49 fish species. 23 000 different types of plants have been recorded. We spend the day driving around the park keeping an eye out for these. There is the option of doing a night drive looking for a few of the nocturnal inhabitants or upgrading to a small vehicle for the game drive at an additional cost.

Day 3: Hazyview to Polokwane (B / L / D)

Today we leave the Lowveld and head on the long, scenic drive to Polokwane. Along the way we stop off at some of the best scenery in South Africa, including the ever striking Blyde River Canyon and God's Window. The many viewpoints of the Canyon, afford us excellent photo opportunities. Polokwane, capital of Limpopo, is the largest metropolitan complex in the north and a major economic centre. Its proximity to the neighbouring countries of Botswana, Zimbabwe, Mozambique and Swaziland, as well as its convenient distance from the Kruger National Park and Magoebaskloof makes it a perfect gateway and good destination in itself. We set up our tents on the lush green grass of our campsite located outside of the city before enjoying a dip in the lovely swimming pool.

Day 4: Polokwane to Musina (B / L / D)

After a quick replenishing of our stocks we begin our journey north toward Zimbabwe. We have a long, relaxing drive where we get to sit back and enjoy the ever changing scenery. Tonight we'll camp near to one of the hottest towns in South Africa, Musina, at the hot water spring resort – Tshipise. Situated between the rolling hills, the resort is well known for its natural hot water springs. Once we've set up camp, you're free to enjoy the pools, walking trails or various other activities on offer here.

Day 5: Musina to Masvingo (Zimbabwe) (B / L / D)

Today we enter Zimbabwe - a beautiful country rich in soul, culture and tradition. We make our way to the town of Masvingo - on the outskirts of the Great Zimbabwe Ruins. This was the greatest medieval city in sub-Saharan Africa, built by an ancient highly skilled civilization. The name Zimbabwe is derived from this ancient city and means "great stone houses" in Shona. The most notable artefacts found at the ruins were the 8 Statues of stone birds carved out of soapstone. Wander around these amazing ruins, before setting up camp at the foot of the hills.

Day 6 & 7: Masvingo to Gweru (B / L / D)

Leaving Masvingo, we continue our journey north to Gweru, in Zimbabwe's Midlands. Here we stop over at The Antelope Park. It is said "you have not been to Zimbabwe until you have visited the Victoria Falls... and the Antelope Park." A wide variety of game viewing opportunities are available in this area inhabited by lion, elephant, giraffe and obviously numerous antelope! We have the unique option to walk with lions, ride or swim with elephants, view game from horse back or from the back of a vehicle. We guarantee Antelope Park is a place you'll never forget!

Days 8: Gweru to Bulawayo (B / L / D)

Leaving Gweru, we head to Bulawayo - Zimbabwe's second largest city. Bulawayo is noted for its exceptionally wide streets, which were originally designed to accommodate a full span ox wagon. The city also still retains much of its British Colonial character, evident by the many buildings maintained as heritage sites by the Bulawayo City Council. Interesting places to visit are the Natural History Museum, the National Arts Gallery and the Mzilikazi Arts and Crafts Centre, which employs over 70 people.

Day 9: Bulawayo (B / L / D)

Today we visit Matobo National Park, one of the last strongholds of both the black and the white rhino. This park is also well known for its high concentration of the elusive leopard and majestic black eagle. Rock paintings are to be found too, providing evidence of the ancient San inhabitants of this area. Cecil John Rhodes (after whom Rhodesia was named) asked to be buried at the top of one of the sacred hills, (although there is some controversy over whether he will stay!) We spend the day exploring this unique geological, ecological and historic area.

Day 10: **Bulawayo to Victoria Falls (Zimbabwe) (B / L)**

Leaving Bulawayo, we head to Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! After our adventure activities briefing (see price guide at the end of this document for options), the afternoon is spent relaxing at the campsite's swimming pool, viewing the Victoria Falls, or exploring the many sights and delights of this town!

Days 11 & 12: **Victoria Falls (B on both days)**

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek.

Optional: Excursions include elephant back safaris, horseback safaris, walking with lions, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

Day 13: **Victoria Falls to Chobe National Park, Botswana (B / L / D)**

We head out from Victoria Falls to the border crossing to Botswana. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. After lunch, we take a boat cruise along the Chobe River. Once we return and are packed and prepared, we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller's that swoop by! After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane.

Day 14: **Chobe National Park to Livingstone (Zambia) (Brunch / D)**

Once returning to the camp at Kasane, we get back on our truck and continue to the town of Livingstone. This afternoon we have the opportunity to view The Falls from the Mosi-oa-Tunya National Park, Zambia or partake in a sunset boat cruise on the Zambezi River. Another fantastic photo opportunity!

Day 15: **Livingstone to Lusaka (B / L / D)**

An early morning start sees us head north through southern Zambia to our campsite on the outskirts of Zambia's capital city, Lusaka. As we drive, we pass through a few of the villages and towns of Zambia along the way. Prosperous during the copper boom in the 60's, Zambia was able to build infrastructure at the main mining and farming communities. After the fall of the copper industry, the country was left virtually bankrupt and existing infrastructure was left to fall to ruin. Due to foreign investment and a rise in the mining industry, Zambia is today once again starting to prosper. The difference is evident in the cities with the availability of foreign stores, banks and imported cars, while the villages and smaller towns are still to catch up. Our campsite is home to some local wildlife including the largest antelope – Eland.

26 Day African Dream – Johannesburg to Dar Es Salaam

Day 16: Lusaka to Chipata (B / L / D)

From Lusaka we head north east on the old 'East Road' to a beautiful little campsite located just 10 km before the Zambia/Malawi border. In the days of old, the route from Cairo to Cape Town passed through Lusaka and it's along this route to Malawi we travel today. While today is mostly spent driving, we do cross the impressive Luangwa River Bridge which is heavily guarded due to its close proximity to the Zimbabwean & Malawian borders. We'll also stop off to purchase some fresh produce and coal from the local sellers along the way. Mamarula's campsite is where we spend the night before heading into Malawi.

Days 17 to 20: Chipata to Lake Malawi Beaches (Malawi) (B / L / D)

Leaving Zambia we cross into Malawi, the 'Warm Heart of Africa'. We stop off in the capital, Lilongwe, a small city distinctively divided into the old town and the new administrative centre. Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We camp first at the central Lake, and then in the northern area over the next 4 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of this document).

Day 21: Lake Malawi to Iringa (Tanzania) (B / L / D)

After a relaxing 4 days, we leave Malawi, entering Tanzania through the border post at Songwe. Winding our way through the beauty of the Tukuyu tea and banana plantations, we head towards Iringa where we spend the night in the beautiful rustic 'Farmhouse' campsite famous for its Amarula Hot Chocolates and its steamy showers!

Day 22: Iringa to Dar es Salaam (B / L / D)

This morning we head off early and make our way to Dar es Salaam. We pass through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam, we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

Day 23: Dar es Salaam to Zanzibar (B)

A ferry from Dar es Salaam takes us to the "Spice Island," where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Please note: Accommodation and Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and can arrange your accommodation, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer – please see the price guide on the end of this document for more details.

For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam. There are various optional excursions available from the camp including diving, snorkelling and fishing trips. The driver and cook remain behind in Dar es Salaam during the excursion.

26 Day African Dream – Johannesburg to Dar Es Salaam

Days 24 & 25:

Zanzibar

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Day 26:

Zanzibar to Dar es Salaam

Leaving Zanzibar in the afternoon, we return to the mainland arriving back to camp in the late afternoon, or early evening. On arrival, where we exchange addresses and part ways, having just experienced a trip of a lifetime!
