

39 Day Nairobi to Livingstone (Ultimate African Adventure) CAE2514

This tour explores famous game reserves, mighty rivers, misty mountains, and golden beaches. Encounter wildlife from gorillas to the Big 5, and meet diverse cultures from the red-robed Masai to the warm-hearted Malawi people. From the source of the Nile to Kruger, from Zanzibar to Victoria Falls, this is the Ultimate African Adventure!

DAYS 1 - 14

From Nairobi we head west into the Great Rift Valley and spend the night in Lake Nakuru National Park. This park is well-known for its large population of rhino and wealth of birdlife especially the flamingos that gather in their thousands on the shores of the shallow soda lake. Beyond Nakuru we continue west through Eldoret before crossing into Uganda and the source of the Nile at Jinja. Here you can try white water rafting or quad-biking along the river banks or visiting the surrounding villages. You also have the option of taking part in the 'Softpower' charity project, a volunteer programme to uplift and build community schools. From there we continue to western Uganda in search of the gorillas. Guides lead you through the forests to view these gentle giants. Viewing a family of gorillas in their natural habitat is one of Africa's very special wildlife encounters. We return to Kenya and the bustling capital of Nairobi.

DAYS 15 - 23

From Nairobi visit Kenya's best known game park, the Masai Mara Game Reserve. The park is renowned for its stocks of wildlife - Africa's Big 5 - and for its scenery. We cross into Tanzania for a 3-day excursion to the Ngorongoro Crater, Serengeti National Park and Olduvai Gorge by 4x4 vehicles. Game viewing opportunities are unsurpassed here and taken with Kenya's Masai Mara you will have visited Africa's greatest game reserves in the space of a few days. Our base for the Serengeti / Ngorongoro excursion is Arusha, Tanzania's 'safari town', nestling in the shadow of Mount Meru. Our camp is adjacent to a fascinating Snake Park and close to friendly Masai villages.

DAYS 24 - 29

From Arusha you might get a glimpse of the snow-capped Mount Kilimanjaro (if the weather is clear) en route to the palm-fringed port city of Dar es Salaam. An important and historic Indian Ocean port, Dar is best known today for its ferry connections to the exotic island of Zanzibar. Spend three days on the island exploring the romantic winding cobbled alleys, soaking up the Arabian atmosphere, and enjoying the fabulous beaches where the snorkelling and diving are excellent, as is the abundant fresh seafood. Returning to the mainland, visit the ebony carving market for curio shopping before driving southwest via Mikumi National Park towards Malawi.

DAYS 30 - 39

Malawi is a small friendly country dominated by the enormous Lake Malawi with an idyllic lakeshore with high escarpments and deserted beaches. One popular stop is Kande Beach, a lakeside camp where you can swim, snorkel or scuba dive in the lake's clear sparkling freshwater. Alternatively go horse-riding along the beach and even take the horses swimming in the lake. Leaving

Malawi, we drive through rural Zambia to Livingstone, and the Victoria Falls area. Victoria Falls is one of Africa most exciting and enduring sights - and there are various ways to view it - by helicopter, micro-light or light aircraft, but for the more sedate the view from the lookout points in the surrounding national park is equally inspiring. In addition to the mighty Zambezi, there is a range of 'adrenaline-pumping' activities available. White water rafting, bungee jumping, gorge swinging, horseback riding, elephant back safaris to name but a few. Those on the 39 day tour to Livingstone end here.

NB - Gorilla Trekking Permit:

The Uganda Wildlife Authority imposes strict regulations regarding the gorilla excursions. One of these is that the trek permits must be booked and paid in advance. In order for us to do this we must collect your excursion money, in addition to your normal deposit, at the time of booking. Like your deposit the permit money is not refundable if you cancel your tour. The permit is currently US\$450-550, please ask us for the up to date and equivalent amount in your own currency.

In order to be sure of obtaining the required trekking permits for gorilla viewing we do not restrict ourselves to Uganda to see the gorillas. Gorillas have also been habituated for viewing in neighbouring countries and occasionally we may visit them there instead.
