PRE-DEPARTURE:

The pre-departure meeting will give you all a chance to meet your fellow travellers and get to know your guides. The meeting will cover all the aspects of the trip. Please bring with you to this meeting: your passport with relevant visa's and evidence of medical and personal insurance. Please also bring the Local Payment to the pre-departure meeting. **The local payment is required to cover a wide variety of our on-tour expenses, which can include National Park entrance fees, excursions and activities, certain fresh foods, vehicle tolls and entrance fees, as well as some accommodation costs whilst travelling throughout Africa. The local payment is the final tour fare instalment which must be paid in USD cash to the tour leader at the pre-departure meeting.** If you are unable to attend the pre-departure meeting, please let us know at least one week prior to your arrival in the country so the message can be passed on to all relevant parties.

Most clients arrive a few days prior to day 1 of the tour. This is to give them plenty of time to enjoy all that Windhoek has to offer. We can organise any accommodation or activities you may require if you want to arrive early or stay on in Africa after your tour ends. Please contact us for assistance.

WINDHOEK TO VICTORIA FALLS:

Explore the ghostly deserts of Namibia, nothing but endless horizons and vast expanses of night stars. Go where giant sand dunes merge with the Atlantic Ocean. Go on safari in Etosha, "the Great White Place", where the fireside tales will be of lion, rhino, elephant and much more. Navigate the winding streams and isolated lagoons of the Okavango Delta. Sit back and relax as your guide gently poles your "Mokoro" through these clear waters. Get up close and personal with some of the most exciting creatures on earth. Join the adrenaline junkies at Victoria Falls. Be insane for a day as you jump off bridges or boogie board head-first down the immense rapid runs of the Zambezi. Sit tight as you witness the Falls from a micro-light aircraft or take it easy on an upper Zambezi River cruise and watch the African bush go gently on by.

DAY 1 - Windhoek

Day at leisure to enjoy all there is to offer in Windhoek. All meals for your own account.
LODGE

DAY 2 - Gobabis (400 km - 5 hours)

"Desert and Sea" and "Wild Waters Explorer" are modules of our "Northern Quest" tour, and all clients booked on these modules will be collected or dropped off in Windhoek before proceeding to Gobabis. Today you meet your crew, and have a short pre-departure meeting on route to Gobabis.

We travel towards the border between Namibia and Botswana and to Gobabis where we will overnight on a private game farm. This is our last night in Namibia and a fitting place for fireside tales of your journey thus far. Breakfast and lunch included.
CAMPING

DAY 3 - Maun (580 km - 10 hours)

We wake up early for our departure to the border post of Botswana. Once all the formalities have been completed we head for Maun, which is the gateway to the fantastic Okavango Delta. We will prepare for the following days to come and be briefed by your guides on what to take into the Delta. Please remember space in the Makoros (local word for canoe - and your mode of transport into the Delta) is at a premium and a small overnight bag with your sleeping bag and necessary clothes for 2 days is all that is needed. Our campsite is just outside the centre of Maun. Although a small town, Maun has several shops, good communications and banks. Breakfast and lunch included.
CAMPING

DAYS 4 & 5 - Okavango Delta

An early morning pickup awaits us where we will be transferred to the "Mokoro" poling station by vehicle. We will be assigned our Mokoro - each complete with a poler/ guide. After a two to three hour Mokoro journey in the Delta we will stop and set up camp. The Delta is an incredible maze of inland waterways and lagoons. We will be on safari "Mokoro" style, poled gently along, floating through this haven of wildlife and birds. You will be taken on game walks by your poler/ guides to experience the full splendour of the region. Please note that there are no ablution facilities, and camps will be bush camps. Meals will be carefully planned for this duration. Breakfast, lunch and dinner included.
CAMPING

DAY 6 - Nata (310 km - 5 hours)

After breakfast we are gently poled back to the vehicle pick up point and transferred by vehicle back to our base camp near Maun. We collect our vehicle and depart for Nata. Breakfast, lunch and dinner included.
CAMPING

DAY 7 - Chobe National Park (306 km - 5 hours)

We depart Nata and head for Kasane and our camp on the banks of the Chobe River. We will arrive in time for an included guided river cruise with game viewing. The fabulous Chobe National Park is famous for its huge herds of elephant and your guided river cruise should provide excellent sightings of elephant, hippo, crocodile, and an impressive array of birds and plains game. There is also a swimming pool at the camp for relaxing.

Please note that this is the last place where you can get USD. Hereafter there will be no opportunity. Clients will not be able to use credit cards or visa cards in Vic Falls. Breakfast and lunch included.

CAMPING

DAYS 8 & 9 - Victoria Falls (90 km - 2 hours)

A short drive from Chobe takes us over the border into Zimbabwe and to the spectacular village of Victoria Falls - one of the "Seven Natural Wonders" of the world. You are free to explore it at your leisure. Visit the captivating Victoria Falls Rainforest, take a sun downer cruise or enjoy hoards of other adventure activities (own expense). Our camp is close to all the bars, restaurants and hot spots for that last big splurge. Breakfast, lunch and dinner on Day 8. Breakfast on Day 9.

CAMPING

DAY 10 - Victoria Falls, Tour Ends

Our tour ends after Breakfast.

Please note: While it is our intention to adhere to the itinerary described above, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. On Day 1 of your tour, you will be advised of any amendments.
