Day 4: Kruger National Park (South Africa)

A very short drive takes us to Kruger National Park (arrive as the gates open) that is home to 147 mammal (incl. the Big 5), 114 reptile, & 502 bird species. You will be transferred to open sided 4 x 4 game viewing vehicles (on arrival at the park) in which we will do game drives for the rest of the day. Breakfast and lunch will be enjoyed at one of the picnic sites inside Kruger National Park. At sunset you will start with a 3 hour night drive, done in a Kruger Park open sided game viewing vehicle with a Kruger National Park guide. This is a great opportunity to see nocturnal animals not normally seen during the day game drives.

Clients who booked the bedded accommodation will be dropped off at the private lodge, after the night drive.

Clients who booked the camping accommodation option will stay in our camp inside Kruger National Park.

Breakfast, Lunch, Dinner included

Day 5: Kruger National Park (South Africa)

We start the day with a cup of coffee / tea, before heading out on a game drive as the gates open (in open 4x4 game viewing vehicles). You will be on a game drive for the majority of the day, searching for as many animals as possible. Breakfast and lunch will be enjoyed at picnic sites inside Kruger national park.

Clients who booked the bedded accommodation will be dropped off at the private lodge, after the night drive.

Clients who booked the camping accommodation option will stay in our camp inside Kruger National Park.

Breakfast, Lunch, Dinner included
