

08 DAY OKAVANGO AND CHOBE TRAIL – SOUTH

Day 1 Zimbabwe – Victoria Falls – Botswana - Kasane

On arrival your guide will brief you on the next few days. Today we visit the spectacular Victoria Falls and experience the thundering sound of the mighty Zambezi before crossing the Botswana border to Kasane, on the banks of the Chobe River and enjoy a scenic river cruise. As we leave Victoria Falls today it is best to arrive 1-2 days beforehand if you wish to partake in any of the adventure activities such as the world-famous White Water Rafting.

Day 2 Maun

There is the possibility of an optional game drive in Chobe before we drive through to Maun. On arrival we prepare for our 2-day expedition into the Okavango. The rivers leading to the Okavango Delta have no passage to the ocean and irrigate instead some 15,000 square km's of Kalahari Desert – forming the world's largest inland Delta. *Optional Activities: Early Morning Game Drive in Chobe NP, Crocodile Farm visit.*

Meals: Breakfast, Lunch, Dinner

Overnight: Sitatunga Camp: www.deltarain.com/index.php?page=sitatunga-camp

Day 3/4 Okavango Delta

During your time in the Delta we enjoy the best nature has to offer. We go on nature walks and explore the Delta by mokoro traditional canoe (water level dependant). The Delta is truly spectacular and an unforgettable experience as the wild animals here are not used to people. Simply sitting and relaxing often results in rewarding bird or game viewing. We travel in to the Delta on a large 4x4 vehicle - in high water season boats are used. We join up with some of the local people and set up our bush camp for the next 2 nights.

Meals: Breakfast, Lunch, Dinner

Overnight: Bush Camping: www.deltarain.com

Day 5/6 Gweta

We leave the Delta behind us and travel east. This afternoon we drive to Planet Baobab where our accommodation for the next two nights is unique, and a little quirky. The next day we have an included Baobab Nature Walk with a sundowner drink to view the unusual trees that grow in this area. The Makgadikgadi Pans are nearby and there is the possibility to visit them, or take a visit to a local village. *Optional Activities: Village Tour, Nxai Xini Pan trip, Ntwetwe Pan trip, flight over the Delta*
