We cover a great deal of distance on some remote and rough roads, and clients must be prepared for this but the natural wonders that we encounter more than compensate for any discomfort - for those who truly seek adventure.

DAY 1-2:

CAPE TOWN

We all meet at the Cape Town lodge at 13h00 to spend the afternoon exploring and visiting the sights. We have one-and-a-half days here, in which time we will hike Table Mountain, visit Cape Point, the Waterfront, Hout Bay, the Stellenbosch winelands and numerous other sights. Our exact program will be dependent on the weather. Overnight at the lodge on the beachfront for the two nights. (Lunches and both evening meals are for your own expense).

DAY 3:

WEST COAST

We leave the Mother City behind us, and after a visit to Blouberg Strand for a last view of Table Mountain from across the bay, then travel north through the "Swartland" and then along the West Coast into Namaqualand. In the early spring this usually barren area comes to life with the blooming of numerous desert adapted flower species. We camp the night.

DAY 4-5: ORANGE RIVER

Today we cross the border into Namibia, then travel the short distance to our base camp on the banks of the Orange River from where we begin our canoe adventure. Once we have packed all of our gear into our two man canoes, we set off into the wilderness. The Orange River creates an awesome spectacle, a green ribbon winding its way through the desert and towering mountains of the Richtersvelt National Park. We will spend one night camping on the banks, under the desert skies, and will then return to our base camp and vehicle to camp the next night in relative comfort.

DAY 6: FISH RIVER CANYON

Today we head directly to the Fish River Canyon, the second largest of its kind in the world. After visiting the viewpoints and exploring the lip of the Canyon, we move on to camp. Cape Town Waterfront

DAY 7-8: NAMIB DESERT

Leaving the Canyon behind us, we continue north into the true Namib Desert, with its continually shifting barchan dunes and barren landscapes. The next two nights are spent at the desert camp situated on our private game reserve. This camp is spectacularly situated against a rock outcrop between the stark mountains and the red dune-lands. During our stay here we will conduct guided walks and drives including a night drive within the reserve.

DAY 9: SOSSUSVLEI - SWAKOPMUND

After an early start, we travel directly to the dune-fields of Sossusvlei. The last part of our journey to the dunes will be through the thick sand and for this we use an open 4x4 vehicle. After climbing the dunes for the spectacular view from the summit, we return to our vehicle, and continue on to the seaside town of Swakopmund where we will spend two nights at the Swakopmund lodge.

DAY 10: SWAKOPMUND

The lodge provides the ideal location for exploring the town of Swakopmund with its beaches, markets, curio shops and huge variety of adventure options that include quad biking, sky diving, horse riding, dune boarding, and many more. The nightlife of Swakopmund is also worth experiencing.
